Hi

Ok

My calculation amounts to around R 50 000. I shall transfer this into your account.

Hi

Just received a notification from my bank about a cash deposit. You probably have your reasons for doing it and I'm not going to ask.

Thank you.

**Subject:** Shettles Method – Trying For A Boy Or Girl

I hope you will make time to give me my son, I would like to try naturally.

Thereafter I can have the girls in pairs through IVF and an egg donor.

You were wearing a ring? Which one is it? I have never seen you wearing it. Why did you wear it tonight? If it is not the one i bought don't fret. I understand

Would you please remind me what is the resemblance of the ring to our relationship? Perhaps when I have a clear meaning, I could start wearing it.

I would now like you to wear the ring. Or at least tell me why you would not like to do so or why you are not able to do so. i so wish you had worn it on Saturday

Lucky me, I got an immediate response. 😊

Are you good today, my king?

I will contact them to make an appointment. Fertility clinics are usually fully booked. They'll probably accommodate me next year. Hopefully by then I won't need to, if we make and use the time right.
